

Do you ever thought about **visiting a scout group in another country?**

We'd like to invite you and your **venture/rover group to Bulgaria** and our scout camp next summer!

The Organization of Bulgarian Scouts is in the process of applying for **Erasmus+** funding in respect of a **Youth exchange** project. The Organization of Bulgarian Scouts is looking forward to **host ventures/rovers from different European countries**. Hence we are looking forward for Erasmus+ registrated organizations that will be interested in becoming project partners.

We look for a **national groups of 9 ventures/rovers 15-19 years old** (WOSM or WAGGGS member organisations) +1-3 leaders (age can be 18-29). One of group leaders can be up than 29 years old.

An Erasmus+ project will enable your members to actively participate in an **adventurous experience abroad, free of charge**. The project "Friends of wild nature" will take place in **Shumen Scout Centre** from **16th to 27th of August 2016**.

The camp program is aimed to be an **attractive combination of traditional and modern scout skills** with a focus on protected natural areas, **cave exploration**, environment and sustainable development, **creativity and fun**. Moreover, the participants will present their traditions, interesting elements of culture, food, mother languages during so called National days.

Did we catch your interest? We hope so!

If you're Erasmus+ registrated (A Personal Identification Code (**PIC**)) and interested to send your members for **2 weeks adventure in Bulgaria**, you are kindly asked to contact us as soon as possible on the following email address: commissioner@scout.bg . If you are interested, kindly contact us at your earliest convenience due to the fact that the **deadline for the submission of Erasmus+ Project applications is 26th of April 2016**.
